Businesses – Protect Your Assets

Employers have long recognized that their employees are their most important asset. Should a key member of your staff take ill or fall victim to an accident that requires long term care, your business could potentially suffer. With a Colina health plan, you can ensure that your staff are

afforded a level of quality care that will minimize the impact of illness on your business and maximize their peace of mind. Happy staff helps your business prosper.

Life Changes

Plans in the Stellar Care series are portable. If an employee leaves the group, he has the option to convert the group coverage to an individual health policy and maintain coverage.

Health – a plan to help you keep it.

Good health is critical to ensuring that your personal journey is filled with lasting memories. Keeping your health in peak condition requires a health plan that gives you confidence to live your life your way. Colina can offer health coverage that helps you keep your life on the right path.

Colina Health

A Colina health plan offers access to an extensive overseas health network and the best medical care that you will find in The Bahamas and North America.
